Centenary Icon of St. Joseph the Worker

It was a great blessing to write the new icon of St. Joseph the Worker for the Archdiocese of Edmonton as part of its centenary celebrations.

The icon will be unveiled and blessed at the May 1st, 2013 mass at St. Joseph Basilica, followed by a one-year period while the icon travels to each parish of the Archdiocese.

Once this is completed, the icon will be permanently installed in St. Joseph Basilica.
